

Autumn 2      Class 1

Homework Menu

**What is special about where we live?**

Children are encouraged to choose from the challenges below and bring them into school to add to our display. Children in Class 1 should also be reading daily and practising their spellings. Additionally, the children have a login for TT Rockstars, Reading Eggs and Rhino Readers.

Use or create a local map and add significant human characteristics to it. E.g. King Doniert's Stone, Cheese wring, Trethevy Quoit, Caradon Transmitter, The Hurlers.

With an adult, talk to people you know in the local area and ask them what they think is special about where we live.

Create a poster telling people what is special about where we live (particularly focus on geographical features)

Paint a picture of a well-known feature of our local landscape or evaluate a painting someone else has done.

Create a 3D model of a local feature using items from your recycling bag or other materials.

Compare where we live to a different location in the UK or abroad, maybe somewhere you have been on holiday. What is similar, what is different?
