History

We will be finding out about toys in the past and how they have changed over time. We will learn how to find out information using books and the internet. We will be linking this work to our computing work and creating an ebook about old and new toys.

old new sources past present

Music

We will be following a unit called Football using Sing Up. We will learn how to chant, how to rest and how to clap syllables. We will use some percussion to accompany our song and then perform it using actions.

ostinato percussion melody pattern compose perform

Computing

We will be learning how to record sounds and pictures. How to edit text and how the adjust the size of images. We will use these skills to create an ebook linked to our History work about old and new toys.

images edit save copy font text

Science

We will be revisiting our learning about materials and applying that knowledge to toys, identifying the materials that toys are made from. We will combine all of our learning to help us conduct an experiment to find out which toy cars travel the furthest and what they are made from.

Who invented toys?

PE

We will be learning skills linked to netball using underarm and two-handed techniques. We will be developing hand-eye coordination and making predictions about where a ball will land.

throw catch underarm target predict

Art

Our focus this half term will be on learning printing techniques. We will be using found objects to create relief prints and also using tiles to create our own printing blocks. We will take our inspiration from the artist Angie Lewin.

block resist transfer etch

RE

We will be learning about Jewish people and how they live. We will learn about Chanukah and Shabbat and also about their special book The Torah. We will think about how these things help Jewish people live their lives.

Shabbat Chanukah Torah synagogue mezuzah Judaism

PSHE

We will be thinking about our Dreams and Goals. Focussing on what we want to achieve and how we might achieve it. We will think about how we can work well with a partner and what to do when we find things difficult.
