

**Spring Term 1 Year A  
Class 1 Homework Menu  
Who Invented Toys?**

Children are encouraged to choose from the challenges below and bring them into school to add to our display. Children in Class 1 should also be reading daily and practising their spellings. Additionally, the children have a login for TT Rockstars, Reading Eggs and Rhino Readers.

**How have toys changed since our parents were little?**

Talk to your parents and/or other family members to find out what they played with when they were children. How have they changed?

**How do they make toys?**

Choose a toy and research online to find out how they make the toy. Can you explain it to the class?

**What materials do they use to make toys?**

Have a look at your own toys. What materials are they made from? Make a tally chart to show which material is used the most to make toys.

**Which is the most popular toy?**

Ask your friends and family what their favourite toy is and create a poster for that toy. Why do you think people like it?

**Which toys are the oldest/newest?**

Choose some of the toys in your house and put them in order from oldest to newest to create a physical timeline. Take a photograph or draw it on paper.

**Where do toys come from?**

Which countries are toys made in? Use the internet or look at the packaging to find out where different toys are made. Can you locate the different countries on a map?
