

Class Three Spring One Homework Menu

1 or more House Points	Maths Complete the "This week in maths" sheet. This is due two weeks after it is sent.		Read a book and work towards your Reading Karate band.	Practise your spellings	Practise your times tables
2 or more House Points	Draw or make a model of HMS Beagle or a Maya pyramid.	Write a diary entry of any explorer on an expedition.	Who Were the Maya Gods? Present your research in any form you wish.	Research the Maya. BBC Bitesize is a good source of information.	Read a book about the Ancient Maya.
	FREE CHOICE related to our class enquiry questions.	Create artwork inspired by our class enquiry question.	Read an information book about Darwin, Evolution and Inheritance or another famous explorer or scientist.	Create a poster or model detailing the process of fossilisation.	Create a Fact File for Charles Darwin, Alfred Wallace or Evolution and Inheritance.
Bonus House Points will also be awarded to people who have gone beyond expectations with their homework!					

Each week you need to choose **one** of the ideas below and bring it into school by Friday. Choose any five from the options below and complete your choices in any order.

Homework is set weekly and due in on Fridays, with the exception of the Maths homework which is due in two weeks after it is set.

We will provide time in class for pupils to share their homework and award house points. We look forward to seeing and celebrating their home learning.
