

Class Three Summer One Homework Menu

1 or more House Points	Maths Complete the "This week in maths" sheet. This is due two weeks after it is sent.	Read a book and work towards your Reading Karate band.	Practise your spellings	Practise your times tables.	
2 or more House Points	Use the skills from ICT to create a radio play on our enquiry.	Read an information book about sustainability.	Select 8 items from around your house. Sort them using different criteria.	Investigate some of the videos here . Create a presentation on Hinduism to share.	Create a map for our local area detailing geographical features.
	FREE CHOICE related to our class enquiry questions.	Create artwork inspired by our class enquiry question.	Public Speaking! Present a topic of your choice to the class for 2 minutes.	Create a poster encouraging people to reduce waste (for example, food waste or wasted power).	Create a Fact File for Shakespeare or one of his plays or characters.
Bonus House Points will also be awarded to people who have gone beyond expectations with their homework!					

Each week you need to choose *one* of the ideas above and bring it into school by Friday. Choose any five from the options and complete your choices in any order.

Homework is due in by Friday each week, with the exception of the Maths homework which is due in two weeks after it is set.

We will provide time in class for pupils to share their homework and award house points. We look forward to seeing and celebrating their home learning.
