

Place Value (within 20) Learning Journey

In this unit we will be building on our Place Value knowledge and extending it to work with numbers up to 20.

We will learn to find numbers on a number line and use the number line to help us count.

We will understand the parts of a 2-digit number up to 20 and be able to explain the value of each digit. We will use a range of resources including Numicon, Base 10, Ten Frames, part-whole models and number lines.

I am learning to understand 16 to 20.

I am learning to find 1 more.

I am learning to find 1 less.

I am learning to fuse a number line to 20.

I am learning to order numbers.

I am learning to compare numbers.

I am learning to use less than, more than and equal to.

I am learning to estimate on a number line to 20.
