

<p style="text-align: center;">Science</p> <p>Watch a weather forecast on TV. Can you spot some of the symbols we have been learning about? With an adult, use the internet to find out what the weather is like in a different country. Can you draw a weather map?</p>	<p style="text-align: center;">Class 1 Homework Grid Spring 2 2025</p> <p>The homework grid activities are not compulsory. Children receive 5 house points for each piece they submit. We expect all children to read their school reading book regularly. Children in Year 1 and 2 should also practise their spellings.</p>	<p style="text-align: center;">Music</p> <p>Listen to some different types of jazz music. Is there a song you already know where you recognise some elements of jazz?</p>
<p style="text-align: center;">Geography</p> <p>Can you use compass directions to send someone on a journey to find a hidden teddy or some secret treasure?</p>	<p style="text-align: center;">Design Technology</p> <p>Design a windsock to measure windspeed. There are lots of ideas on line, this is a nice simple one. https://lsintspl3.wgbh.org/en-us/lesson/ttv-g2m3-Wind/13</p>	<p style="text-align: center;">Computing</p> <p>Have a go at using an online graphics programme to design something else that you might like to build.</p>
